GRAND KNIGHT'S MESSAGE

Charles Huey, Grand Knight

Brother Knights;

The year is drawing to a close and it has been a great year for the council. I want to thank everyone for all the hard work that they have done this year for the council. We have had the most successful fish fry season ever, bathrooms remolded, parking lot redone and we meet our goal of 100% membership. This council can't do any of this without you the members. We have had our ups and downs as we have lost members of this council, and we even saw the merging of the two parishes into one. I know that it was painful for some, and it will take a while to let the wound of that heal.

This is the month of the Sacred heart of Jesus and the time for us to reflect on and deepen our devotion to the love and compassion of Jesus. We must all remember that greatest commandment to love our neighbors as ourselves. That means that we much put the church before our ourselves interest. We as Knights are to support the faith and the parish we belong to and now more than ever because we are under attack every day and we can't attack our own faith as well. The reason I say this is because we know that the time has come to build a new church and we as knights must be at the forefront of this endeavor. I want us to be the help of the church in all we can and not just give our money but hosting fundraisers for them to raise money for that and have fun doing this. Without the church we are lost and we fail as knights to defend the family and our faith.

I have wanted to give a update on the BBQs after much consideration and talking to other. I need to slow down a little bit. So, I am appointing Bob Parsons and Chris Houska as chairmen of the BBQ for this year. Also, our installation of officers will be on June 28th at 6pm doors will open at 5:30pm. We are still looking for a recorder for the year if you are interested, please let me know or make it know at the meeting this month. Again, Thank You for allowing me to be the Grand Knight for this year for a wonderful council.

Until next time, St. Pope John XXIII pray for us.

Charles Huey
