GRAND KNIGHT'S MESSAGE Charles Huey, Grand Knight

Brother Knights

As I set here asking the Holy Sprit to help me convey the message to the knights. I find my thoughts turning to our theme for the year from the Supreme Knight "Harolds of Hope". What does that look like to us as knight on the local level? How do we get there? Well, the first is very easy to see we do that every time we help our parish, community, and fellow man. Think about the 85 children that did not go cold this year because, of the coats we donated to Windsor School. How many kids did we feed that would have went hungry at home on the weekends or afterschool because, they did not have anything, or how many students at Holy Family we helped get a catholic education and parents that we helped just a little bit make that happen. Our council has been on the front line of being the Harolds of Hope before the Supreme Knight made that his theme.

I know that we will continue to make this happen again this year, We as knights are one of the biggest supporters of helping the poor in our community and we are the one that will continue to be a support for the catholic families in the area. One thing that did bother me was when I made my speech for this year and installation, I announce that I challenged our council to bring in 14 new members and a couple of our brothers thought that was funny. I don't because we brought this council back from not even being thought about to being the one of the brightest in the area. Think of it this way if we don't bring in any members from Holy Family Parish we will no longer exist. The old days of just thinking that the members are going to come to us is over. We are the new Knights of Columbus we must ask men to join. So ask this question how many members have you brought into the order in the last 5 years.

District Deputy Report

Well thank you for the ladies and members that attended the district meeting. I am understanding that communication is a big problem in the district, and I am looking to change that this coming year. I want to see this district be the example for all the state to follow. This year quota for the council is 7 new members, and you already got that but, seven is the minimum that we can get I have challenged the district to bring in 41 new members. I know that you think this is wishful thinking but, we work hard to do this we can make it. Remember, this is us making sure the order continues long after we are gone. On November 6th at 7pm St. Margaret Mary Alacoque will be host a regional benefite night food and drinks will be provided.

Family of the Month

There was no Family of the Month for August. Remember this is not limited to just our members this could be a family in the parish as well. They are just not eligible to be Family of the Year that must still be a member and his family if nominated.
