The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.bcbswny.com or call 1-888-839-5169. Complete prescription plan information can be obtained at www.pbdrx.com or by calling 1-888-878-9172. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions | Answers | Why This Matters:
--- | --- | ---
What is the overall deductible? | $0 | See the Common Medical Events chart below for your costs for services this plan covers.

Are there services covered before you meet your deductible? | Yes. | This plan covers some items and services even if you haven’t yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.

Are there other deductibles for specific services? | Yes. $100 individual/$200 family for Major Medical 20% coinsurance services. There are no other specific deductibles. | You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.

What is the out-of-pocket limit for this plan? | $500 individual / $1,000 family | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. Your total out-of-pocket maximum for prescription drugs is $6,250/$12,500.

What is not included in the out-of-pocket limit? | Premiums, balance-billing charges, the Major Medical deductible, and health care this plan doesn’t cover. | Even though you pay these expenses, they don’t count toward the out-of-pocket limit.

Will you pay less if you use a network provider? | Not applicable. | This plan does not use a provider network. You can receive services from any provider.

Do you need a referral to see a specialist? | No. | You can see the specialist you choose without a referral.
