A Note from the Executive Director...

Dear LMHF Member:

By now, you have probably heard that LMHF has entered into an agreement with Univera Healthcare to provide health insurance coverage effective January 1, 2025, for our active employees and pre-Medicare retirees. This change does not affect members enrolled in Medicare plans with Independent Health. You will soon receive at your residence, a welcome booklet from Univera Healthcare. Please take time to review it, as it contains very important information with regard to your benefits. Your plan is <u>NOT</u> changing. As a reminder, LMHF continues to diligently safeguard your benefits as it has for over two decades. Univera will match all current benefits including the name of your plan. Please carefully review the contents of this Newsletter; it provides additional information that may be important to you.

Similar to last year, our wellness packet announcing next year's activities and retreat offerings will be sent out in February 2025.

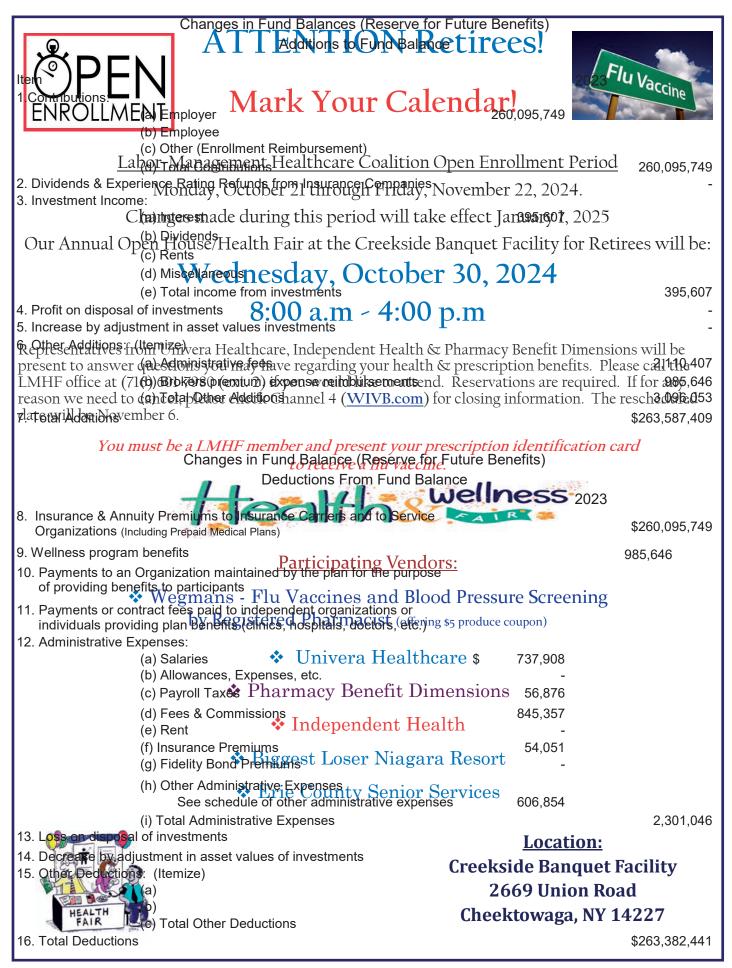

It is very important that Highmark has your correct mailing address <u>no later than October 1, 2024</u>. When the transition takes place, the address Highmark has for you will transfer to Univera Healthcare. If your address is incorrect, you will not receive open enrollment information, Univera mailings, insurance I.D. cards, and/or wellness packets.

Please consider making 2025 a wellness-focused year and attend a LMHF-sponsored retreat, cooking demo, exercise class or wellness seminar.

Wishing you and your loved ones good health.

Sincerely,

Vicki Martino

Attention Retirees with coverage through Independent Health!

Important Information regarding your Prescription Drug and Medical Insurance Coverage with LMHF Through Independent Health/Pharmacy Benefit Dimensions

PLEASE NOTE:

If you enroll in <u>any Medicare Part D plan</u> or Medicare Advantage health insurance plan (with or without prescription drug coverage) that is not through the LMHF/Independent Health, you will be terminated from your current medical and prescription drug coverage.

Depending on the offerings presented to you that are in addition to your current plan with LMHF/Independent Health, you may actually be enrolling in a Medicare Part D plan which will supersede and cancel your current coverage. According to Medicare regulations, you cannot be covered under two separate Medicare plans.

If you are unsure about what is being offered to you and <u>before signing any application</u> <u>engaging you in a prescription discount program and/or coupon offering associated with your</u> <u>prescription plan</u> OR you enroll in another healthcare plan either as an individual or through your spouse, **PLEASE CALL LMHF**. We can provide assistance and advise whether your participation will affect your current coverage.

Retirees enrolled in a commercial plan with coverage through Highmark BCBS PLEASE READ:

If you:

- ✤ Are retired
- Became Medicare eligible after 1/1/2009
- Or your spouse became Medicare eligible after 1/1/2009

INFORMATION FROM MEDICARE

When you first become eligible for Medicare Part A (hospital insurance), you have an initial enrollment period (seven months) in which to sign up for Part B (medical insurance). A delay on your part will cause a delay in coverage and result in higher premiums. Your monthly premium increases 10 percent for each 12-month period you were eligible for, but did not enroll in, Medicare Part B. Active employees and/or spouses/ dependents of active employees who become Medicare-eligible, are not required to enroll in Part B until the subscriber of the plan is enrolled in a retiree plan of benefits.

INFORMATION FROM HIGHMARK BLUECROSS BLUESHIELD OF WNY

If you are eligible for Medicare Part B and are not currently enrolled, payments on claims will be reduced by the benefit amount you are entitled to under Medicare. **Without Part B coverage, you will be responsible for whatever would have been paid under Medicare. For example:** You submit a bill for \$100. The amount Medicare would pay if the member has Part B is 80% or \$80. BCBS would pay the balance, which in this case is \$20. Without Medicare Part B, your responsibility is the amount Medicare would have paid if you were enrolled, which in this case is \$80. Non-participating providers also can bill any remaining balance for additional amounts.
