

2023 INFORMATION PACK

I can't believe that I started Dolly's 30 years ago at The Alphington Scout Hall with 6 students. I am so proud of what I have achieved over those last 30 years, and I look forward with excitement on what's to come.

The reason I love teaching is because it brings such joy to others. When a student achieves a long-term goal, that joy is delightful. Seeing a class smiling and laughing as they learn how to do a challenging step, that joy is contagious. When it's performance time and I see my students', hard work realized onstage, that joy is inspiring. Teaching dance is full of these addictive moments, there's nothing else like it.
