6.2 The Customer shall store goods owned by Dynamic Climate in such a way that they are clearly identifiable as Dynamic Climate's property and shall maintain records of such goods identifying them as Dynamic Climate's property. All goods supplied by Dynamic Climate in the Customer's possession shall be presumed to belong to Dynamic Climate (unless the Customer can prove otherwise).

6.3 Until title to the goods has passed to the Customer in accordance with Clause 6.1 Dynamic Climate shall be entitled to trace the proceeds of sale of any goods owned by Dynamic Climate. Such proceeds shall be held by the Customer on trust for Dynamic Climate and at Dynamic Climate's request will be paid into a separate bank account.

6.5.1 the date of a notice given under Clause 6.4 or the latest date on which such notice should have been given.

6.6.2 to require the Customer not to resell or part with possession of any goods owned by Dynamic Climate until the Customer has paid in full all sums owed by it to Dynamic Climate under the Contract or any other agreement;

6.6.3 to withhold delivery of any undelivered goods and stop any goods in transit;

The Customer shall be responsible for any costs and expenses incurred by Dynamic Climate in exercising its rights under this Clause 6.

6.8 Nothing in this Clause 6 shall give the Customer any right to return the goods. Dynamic Climate may sue the Customer for the price when due (without prejudice to its other rights hereunder) notwithstanding that the property in the goods may not have passed to the Customer.

6.9 The Customer acknowledges that Dynamic Climate is the absolute owner of Dynamic Climate's "Intellectual Property Rights" (being any patents, inventions, copyright and related rights, trade marks, trade names, rights to goodwill or to sue for passing off rights in designs, rights in computer software, database rights, rights in confidential information (including know-how), utility models and any other intellectual property rights, in each case whether registered or unregistered and including all applications (or rights to apply) for, and renewals or extensions of, such rights and all similar or equivalent rights or forms of protection which subsist or will subsist now or in the future in any part of the world) and the Customer shall

not assert or attempt to assert any rights in relation to Dynamic Climate's Intellectual Property Rights. Dynamic Climate shall not be liable for claims arising from an infringement of third party Intellectual Property Rights.

6.10 The Customer shall not use or exploit Dynamic Climate's Intellectual Property Rights, and in no circumstance shall the Customer reproduce, modify, adapt, merge, translate, disassemble, decompile, recompile or reverse engineer any of Dynamic Climate's Intellectual Property Rights or any software embedded in, or forming part of (directly or indirectly) Dynamic Climate's goods and/or ancillary services related to delivery of the goods, or create derivative works based on the whole of or any part of the software or incorporate the software into any other software program not provided by Dynamic Climate, and the Customer undertakes to only use any such software in the operation of the goods and/or ancillary services related to delivery of the goods.

6.11 The Customer shall indemnify Dynamic Climate and keep Dynamic Climate indemnified from and against all claims, damage, losses, costs (including all reasonable legal costs), expenses, demands or liabilities arising out of or in connection with any claim alleging that Dynamic Climate has infringed the Intellectual Property Rights of a third party in supplying the goods and/or ancillary services related to delivery of the goods in accordance with the Customer's instructions or to a specification provided by the Customer.

7. Price and Payment

7.1. Unless agreed separately and in writing by Dynamic Climate the price of the goods shall be the price ruling in Dynamic Climate's current trade price list at date of despatch excluding the costs and charges of special packaging, insurance and transport of the goods, which shall be charged to the Customer additionally. Notwithstanding any contrary provision hereof, Dynamic Climate has the right to alter the prices contained in the trade price lists at any time without prior notice and it shall notify the Customer of any price variations before despatch of the goods and the Customer shall be entitled upon receiving notification of such variation to cancel the Contract by written notice to Dynamic Climate delivered within seven (7) days of receipt of such notification without incurring liability to Dynamic Climate.

7.2. Unless otherwise agreed in writing all money due to Dynamic Climate shall be paid by the end of the month following the date of the invoice. Any sums unpaid shall thereafter bear interest at 2% per calendar month accruing from day to day.

7.3. The Customer agrees and acknowledges that Dynamic Climate reserves the right by notice in writing to withdraw any credit facility offered to the Customer in the event the Customer's financial standing deteriorates to a level whereby it is unable to pay its debts as they fall due; or Dynamic Climate has reasonable cause to believe that the foregoing is imminent and/or reasonably likely to occur during the term of the Contract(s), as determined by Dynamic Climate either: (i) acting alone or (ii) in conjunction with its credit insurance provider (a "**Financial Change**").

7.4. In the event that credit is withdrawn due to a Financial Change, Dynamic Climate may:

7.4.1 at its option, without incurring any liability, cancel any undelivered or incomplete portion of the Contract, or cancel any other agreement with the Customer and stop the manufacture and/or delivery of any goods;
