

OPTIMUM AIR & WATER

*“WE SOLVE
PROBLEMS.
LET US HELP
YOU FIND THE
PERFECT
BALANCE”*

OUR HISTORY

Optimum Air & Water was established in November of 2020. With a centralized office in Rock Hill, SC, we have ability to serve both the Carolina's and the Southeast.

WHAT WE DO

We test, adjust, and balance HVAC systems to meet the design specifications as indicated by mechanical engineered drawings for commercial, industrial, and institutional buildings. Our services ensure that HVAC equipment is operating at its highest efficiency and performance.
