Dear Nikki

**Bards Way – Section 75 agreement**

As MSP for Clackmannanshire and Dunblane, I am contacting you in relation to the above having met today with constituents on site.

I understand that Bards Way campaigners have recently written to Clackmannanshire Council in relation to the Section 75 agreement.

I am writing to support their position that there should be no development in the area in question. People purchased properties in the locale on the understanding that no further development would take place.

I thank you for your consideration in this matter.

Yours sincerely

Keith Brown MSP  
Clackmannanshire & Dunblane Constituency
