When you first register as a handler with A4A, if you have been competing at Kennel Club agility events with the dog you are also registering, you must transfer them into the equivalent Agility 4 All Level. Otherwise you will begin in Beginners. Refer to the transfer table below to find the corresponding Level for each Programme.

Dogs Kennel Club Grade at Time of Registration	A4A Performance Programme	A4A Steeplechase Programme
Grade 1 & 2	Beginners	SC Beginners
Grade 3, 4 & 5	Novice	SC Novice
Grade 6, 7	Senior	SC Senior
KC CC or RC Winner	Champion	SC Champion

You may only transfer from your British Kennel Club grade. If you only have results from other organisations, please select 'Not competed' in the drop-down box.

Step 7- Enter your dog in their height. These do differ from RKC heights. Unless you are competing or opting to compete at 600 or 500(s) you will need a measure anyways. But please enter the height you believe your dog to be in. If your dog measures into a different height you can change your entries on the day
