# WHEN YOU RECIEVE JESUS

You discover that Life becomes different , things around you change , because your hunger is now filled. The Bread from the world is temporary but the Bread of Life is eternal

Every Day we approach Him to eat of Him because this bread is sustainable.

When we believe in Jesus our Hunger and Thirst is satisfied

# The Changes you will experience

## PRAYER

You will get a deep hunger to talk with God , you will want to find out more about Him , you will want to fellowship with Him

## PRAISE

Giving Praise to God will come naturally because once you eat from the Bread of Life , A new hunger fills you to know and to be known By Him

## FELLOWSHIP

Fellowship will become a place where you will be edified by other believers , enjoying spending time with others who follow the same love for Jesus will help you in your walk with God
