

'23-'24 Asher Tour Membership

Pricing and Benefits

The image is a vertical collage of three distinct desert scenes. The left panel shows a row of tall palm trees against a dark, cloudy sky. The middle panel features a large saguaro cactus in the foreground, with rugged, rocky mountains in the background. The right panel displays several yucca plants in a dark, shadowed desert setting.

The ASHER Tour season starts in September 2023 and runs until June 2024 with approximately 25–30 events.

Operating along the west coast with events in Arizona, California, Nevada and Utah.
