

First or Second Year Apprentice Plumber

Job Description

Location: Ballarat, VIC

The Opportunity

Flow Plumbing & Maintenance is seeking an enthusiastic First or Second Year Apprentice Plumber to join our team. This is your chance to learn from experienced plumbers, gain hands-on experience in the plumbing industry, and be part of a welcoming and supportive environment.

Key Responsibilities

- Assisting experienced plumbers with installations, repairs, and maintenance.
- Gaining experience with the safe use of plumbing tools and equipment.
- Developing and working towards a solid understanding of plumbing codes, regulations, and best practice.
- Attendance at Trade School, completing required unit competencies

What We're Looking For

- A keen interest in pursuing a career in plumbing.
- A valid driver's license (manual transmission is desirable) and reliable transport.
- Willingness to learn and a commitment to completing your apprenticeship.
- Strong problem-solving skills and attention to detail.
- Ability to work effectively in a team environment.
- Excellent communication and interpersonal skills.
- Currently holds or willingness to get Construction Induction Training card/ White card.

What We Offer

- Comprehensive on-the-job training and mentorship from experienced plumbers.
- Competitive wage and benefits.
- A supportive and inclusive work environment with a welcoming team.
- Opportunities for career progression and professional development.
- Trade school fee sponsorship.
- Standard work hours with a monthly rostered day off (RDO).

About Us

Flow Plumbing & Maintenance is a well-established plumbing company serving Ballarat and surrounding areas. We specialise in commercial and domestic new builds, renovations, and repairs. Our team prides itself on our commitment to quality workmanship, customer satisfaction, and supporting the Ballarat community. We have a keen interest in the newest plumbing innovations, including the latest in environmental sustainability and green energy.
