

SUMMIT BROADBAND ONLINE ACCOUNT CREATION

Prior to attempting to access your account online, you will need to contact customer service to set up your access there. They will be able to provide you with your **Account Number** and create an **Account Password**. These will be used to create your online access. They will also create back-up **Security Questions** and ask for your **Social Security Number** to verify identity and finalize your account. If you choose to withhold your **Social Security Number** a \$250 deposit will apply.

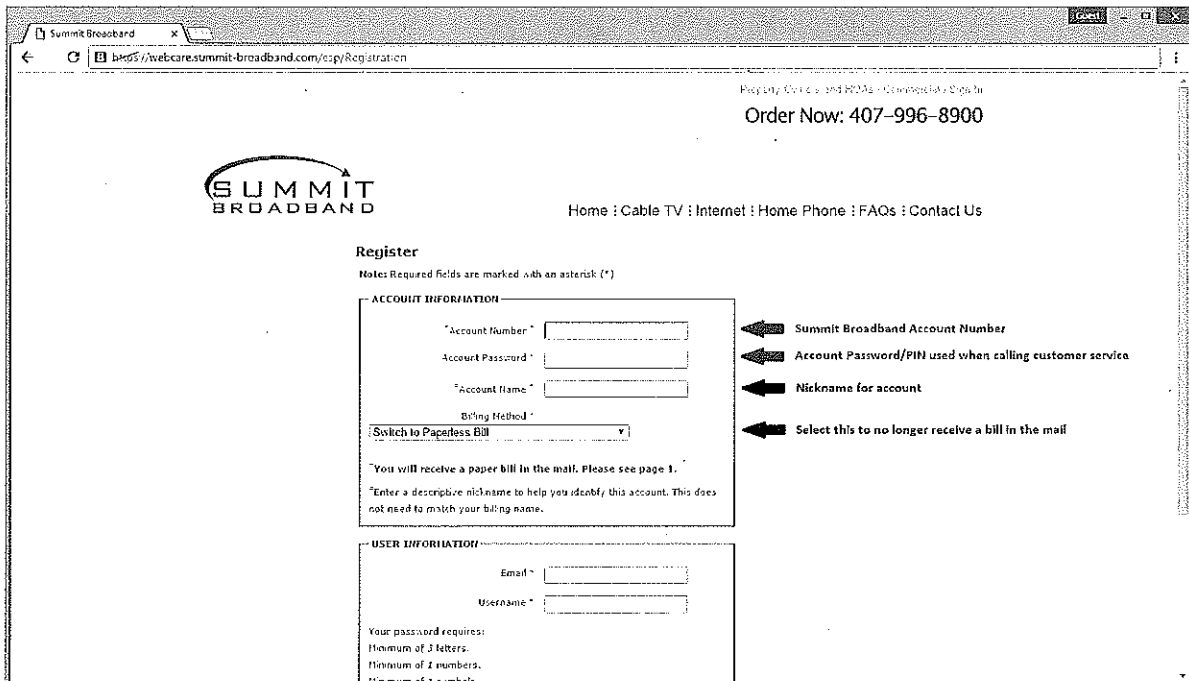

From the main Summit Broadband site (www.summit-broadband.com), select My Account.

Then select "Click Here to Register"

Fill out top portion of form. Red indicates information corresponding to the Summit Billing system.

Fill out bottom portion of form, press "Register".
