

watchTVEverywhere

Watch your favorite programs anytime, anywhere

With watchTVEverywhere Summit Broadband customers watch their favorite TV shows from more places than just sitting in front of the television. All you need is an internet signal and a PC, laptop, tablet, or mobile phone. Enjoy the programming provided under your Summit Broadband subscription while you're at the office, hotel, airport or anywhere else there's internet available.

Features

- It is FREE. There is no extra charge to use it. You only need to be a subscriber to the package that includes the channel(s) you want to watch.
- You can register up to six (6) users for each TV service account, and there is no limit to the number of devices you can use, though some TV networks may limit the number you can use simultaneously.
- watchTVEverywhere includes live TV. Enjoy live game coverage on the NFL Network or WatchESPN.
- Full episodes of current TV shows are available within days of their premiere. You can also catch up on the entire season or previous seasons of your favorite shows.

What You Need to Watch

All you need is your mobile device or PC and an internet signal!*

There is no limit to the number of devices you use, but some TV networks may limit the number you can use at the same time.

Almost all watchTVEverywhere programs are available on PC, laptops, tablets and mobile phones. Several networks are also available on Apple TV, Roku and Xbox. However, some networks have not made their programming available on all devices so please visit your device's app store to determine availability.

How to Subscribe

Access is authorized by subscribing to the corresponding package that contains the channel(s) you want to watch. Create a watchTVEverywhere account at www.summit-broadband.com by clicking on the link at the top of the home page and following the step-by-step instructions to register.**

*Call Summit
Broadband for
