All Professional Cleaners – Letter of Recommendation

To whom it may concern.

All Professional Cleaners have been a pleasure to work with. Jackie and her team provide prompt quotations, sufficient power, and exceptional cleaning.

When I contacted All Professional Cleaners, requesting a quotation to start work the next day, Jackie promptly gathered information about our project, completed a site visit, and provided a same day quote, which was clear and reasonable.

Our project was on an extremely tight schedule, which All Professional Cleaners impressively met. The crew was able to successfully clean 90 residential units, 5 large corridors, 2 6-storey stairwells and 2 residential lobbies in 4.5 weeks.

The final product was a clean building(s) and happy client. I am thoroughly impressed by the care shown by All Professional Cleaners and would gladly contract them again.

Sincerely,

Adam Thodos
