About Us

CAGE: 9TK78 UEI: NSKWFJZC6N85

Swiftfoot Logistics, LLC, (SFL) is a minority owned business providing a comprehensive array of services to support DHS transportation and healthcare needs and requirements for services geared toward individuals under the care and custody of DHS.

SFL brings together a distinguished team of professionals dedicated to delivering exceptional services in transportation logistics, and healthcare management deployment to government entities. Founded by Gilberto (Beto) Garcia Jr. (trained medical physician), alongside industry experts Don Trexler, Julian (Jace) Calderas, and Craig Charles. Our transportation logistics and medical solutions can be rapidly deployed in various complex situations and customized according to the unique needs of our clients. Our team constitutes experiences and skilled professionals from the fields of transportation, medical and mental health, federal law enforcement and administration.

Our Mission

SFL's mission is to bring professional, capable and experienced teams to positively impact the process and environment of individuals under the care and custody of DHS. Our team of experts builds custom solutions meant to meet specific organization missions.

Our Team

Gilberto "Beto" Garcia Jr. – President & Co-founder with a background as a medically trained physician and seasoned entrepreneur.

Don Trexler: expert in Managed Healthcare, ensuring comprehensive healthcare solutions for government operations in Primary, Specialty and Ancillary Care.

Julian (Jace) Calderas: 30 years of Federal Government service as a USAF Veteran, Border Patrol Agent, U.S. Diplomat and ICE Officer. Jace managed all ICE programs at the highest levels as Chief of Staff of Operations at ICE HQ in DC.

Craig Charles: Retired DHS ICE Executive and Border Patrol Agent with almost 3 decades of experience managing all ICE aviation operations and multiple ICE Detention Centers. Craig was the architect of many ICE policies regarding the movement of ICE detainees.
