

SWIFTFOOT LOGISTICS

RELIABLE. COMPLIANT. MISSION-READY TRANSPORTATION.

COMPANY OVERVIEW

Swiftfoot Logistics, LLC (SFL) is a specialized transportation service provider delivering mission-ready ground transportation solutions to government agencies and prime contractors.

We focus on the acquisition, customization, deployment, and maintenance of high-capacity coach buses and 15-passenger vans designed for demanding operational environments.

SFL offers deployment-ready leased vehicles, enabling rapid mobilization and seamless integration into active contracts.

Our fleet is fully outfitted, compliant, and maintained to ensure immediate readiness and dependable performance in mission-critical operations.

CORE COMPETENCIES

Leasing of deployment-ready transportation assets to prime contractors

Procurement and deployment of 50–56 passenger coach buses and 15-passenger vans

Custom vehicle upfitting for detention-ready specifications

Secure transport configurations with caged partitions and safety systems

Integration of GPS tracking and onboard monitoring cameras

Fleet maintenance programs ensuring maximum uptime and reliability

Government contract support and logistics coordination

Scalable solutions for short- and long-term contract needs

DETENTION-READY CAPABILITIES

Secure caged partitions separating drivers and passengers

Reinforced safety features and controlled access points

360-degree onboard camera systems for continuous monitoring

GPS tracking for real-time fleet visibility and accountability

Configurations aligned with federal safety and transport standards
