Los Gatos Thrives Foundation

a 501c3 nonprofit organization

# Los Gatos Thrives Foundation

## *Community Center Project*

Working together to create an intergenerational Community Center to unite generations on ways that enrich lives and help address social and community issues while building upon the positive resources that young and old have to offer and to share with the community.

Los Gatos Thrives is a 501©3 non-profit  
Your continued support and contributions are greatly valued.
