Appearance of Citizens: Samanth Morovits was present with concerns regarding parking in no parking zones. She noted state statute 346.52 states no parking within 15 feet of fire station and 345.53 within 10 feet of fire hydrant. She noted the violation is subject to \$30-\$300 fine. Samantha suggested posting no parking signs on stall doors at fire station. Shawn Lenzendorf informed those present Crawford County will not enforce unless contracted by the Town. Brian Reynolds noted these same statutes also define what a no parking sign needs to be legal and just posting a sign doesn't make the no parking sign legal. Brian noted on the day of concern he and Chrisse were at the fire station and were already 9 minutes ahead for the call. Discussion held regarding the ability to simply move vehicles out of the way if there happens to be a call when people are at the fire station for other purposes.

New Business: Discussion regarding lights at ball field. It is more difficult to find lights to replace and they are very energy inefficient. Shawn Lenzendorf noted there are 55 lights and we would be able to downsize to 50. Alliant Energy will install the lights for no charge. Shawn noted Eastman purchased their lights at Amazon and provided Julie with the information to order. The lights will cost approximately \$8000.

Summer Help – Julie will post summer help position with letters of interest due by April 20, 2022.

Motion to adjourn at 8:50 pm by Don Lenzendorf, 2nd by Shawn Lenzendorf, motion carried.
