

In the name of the Lord Jesus Christ, in His authority, I cut off every curse that has been spoken against me to try to stop me from walking into God's purpose for my life. In the name of the Lord Jesus Christ, and in His authority, I cut off all bloodline and spiritual curses that any person or persons may have placed upon me, whether by their actions or by any form of verbal declaration at all, whatsoever.

Through the authority of the Lord Jesus Christ, I pronounce that, in His name, all these things are null and void as of this moment. Nothing that is against His purpose for me shall flourish. Nothing, in the name of Jesus, that is anti what He has created me to become will flourish from this moment on. And therefore, in His name,

I declare that:

my family will prosper,

my children will prosper,

my finances will prosper,

my authority will prosper,

my favor will prosper,

my influence will prosper,

my understanding of Scripture will prosper,

my wisdom will prosper,

my discernment and discretion will prosper.

The power of the Living God will flow in greater measure through me, unencumbered. It will increasingly become more unencumbered and flow at greater rates, greater speeds, to change people's lives and advance the glorious Kingdom of the Lord Jesus Christ within me. I declare that God has determined the pre-appointed time for my life, the exact place that I would dwell, the exact time that I would be born, the exact location for my anointing. He has placed me where I am in order for me to touch and change that area, and that the enemy - the powers of darkness - would be broken because of the power of the Living God upon my shoulders.

- He has done this, so that I would grope for Him, and that I would seek Him, and that in hope I might find Him, for in Him I live and move and have my being. As Paul wrote, "We are all His offspring," and therefore I declare that I am flesh of His flesh in the Kingdom of the glorious Lord Jesus Christ. I am bone of His bone. I was born for such a time as this. No matter what has happened in the past, or what has been happening in the present, I *will* walk in victory, and I *will* see the goodness of God in the land of the living! In Jesus' name, amen.
