## DIFFERENTIATORS

- Founder's Lived Experience & Advocacy:** Founded by Katrina Cooke, a Lupus warrior and advocate, brings the organization authentic empathy and firsthand insight into supporting individuals with chronic conditions.
- In-House CPR & First-Aid Academy:** Through the founder's sister firm *Life to Living CPR Training*, staff credentials stay current and community partners gain easy access to lifesaving instruction, strengthening overall service quality.
- Regulatory Mastery & Clean Audits:** Deep familiarity with Ohio DODD & Medicaid-waiver rules (validated by flawless compliance records) to minimize administrative risk for county boards and payors.
- Extensive Healthcare Experience:** Led by Katrina Cooke, a professional with over 20 years of combined clinical, administrative, and direct support work provide a deep understanding of patient care, regulatory requirements, and operational excellence.
- Culturally Competent and Trauma-Informed Care:** Staff are trained to deliver services with cultural sensitivity and an understanding of trauma's impact, fostering trust and dignity for all clients.

## PAST PERFORMANCES

Reasons To Care Healthcare Services, LLC delivers high-quality, person-centered care for individuals funded through the Ohio Department of Developmental Disabilities (DODD). Services include homemaker personal care, respite care, non-medical transportation, and independent living support, all in full compliance with Medicaid and DODD standards. The team partners with families, Support Administrators, and local agencies to implement individualized service plans (ISPs) that promote independence and community integration. Additionally, in conjunction with *Life to Living CPR Training, LLC*, we provide health and safety education to obtain a CPR and First Aid certification to healthcare professionals and community members.
