STRATEGIC PLANNING

EXAMPLES OF PAST PERFORMANCE

Professional Development Training

Client: ReENGized, Inc.
Provided Professional Development Training & Coaching Services for administrative staff along with 22 staff members related to customer service, team building, and personal strengths development.

Professional Development Training & Coaching Services

Client: InspireNOLA Charter Schools
Provided Professional Development Training for the administrative support staff of the top-performing charter schools organization in New Orleans, LA.

Professional Development Services

Client: Wright & Gray Law Firm
We provide perpetual Professional Development Training Services for New Orleans' largest and longest-standing personal injury firm. A current project is the facilitation of a time management and customer service workshop for attorneys and paralegals.

Strategic Planning/Evaluation

Client: Sempra Energy
We are providing Strategic Planning support to Oncor Electric Company, a subsidiary of Sempra Energy. Our support includes review and revision to reports that document Oncor's ability to leverage the state of Texas resources to meet the challenges of the global energy demand.

Strategic Planning/Research

Client: Paypal
We are subcontracted to provide research support for Paypal's research project that analyzes the company's customer value proposition, innovative marketing approach, and overall positioning in the payments industry.
