

COVC FINANCIAL COMMITMENT

By accepting an invitation to play on a Central Oregon Volleyball Club team, we rely on payments from our players committing to play. In order for us to keep our costs at a minimal we make our budgets tight, and don't have wiggle room for players/parents to not fulfill their financial commitment.

By signing our financial agreement, you are agreeing to the club fee's we have provided you based on the team your athlete is choosing to participate on. You agree these fee's will be paid in full either upfront, or through our payment plan. If your athlete chooses to quit and not complete the season you agree that the financial requirement will be paid in full.

We pride ourselves in our coaching and improving your athlete over the course of a season. Athlete's are not guaranteed play time, that is earned. Central Oregon Volleyball Club provides training, and volleyball instruction to improve your athlete's skill through our practice program.

Hello!

My name is

, I am playing for Central Oregon Volleyball Club this season.

I am really excited for this opportunity. We are traveling all over the Northwest to see better competition and improve our skills. I am hoping to continue to work hard, build better skills, play the most competitive teams I can, and hopefully earn a college scholarship when the time comes. I am asking friends, family, businesses and community members to help me out! My tournament fees add up, as well as the travel expenses. I promise to represent our community, and our team in a positive manner, and be the best athlete and role model on and off the court.

If you choose to make a donation, it is tax deductible!!! If you can't make a donation, please wish us luck on our upcoming season!!

Thank you,
