

## General Information

1. Full legal name: Holley-Navarre Fire District
2. Public purpose: The purpose of this District is to promote the health, welfare, and safety of the citizens and residents of Santa Rosa County who reside within the geographical limits of that area known as the Holley-Navarre Fire District, by providing for: fire protection services, facilities, and firefighting equipment; the establishment and maintenance of fire stations and fire substations; the acquisition and maintenance of all firefighting and protection equipment necessary for the prevention of fires or fighting of fires; the employment and training of such personnel as may be necessary to accomplish fire prevention and firefighting; the establishment and maintenance of emergency service; the acquisition and maintenance of rescue and other emergency equipment; and the employment and training of necessary emergency personnel. The District may provide advanced life support services within the district's boundaries. The District shall have all other powers necessary to carry out the purposes of the District as otherwise provided by law, including, but not limited to, the power to adopt all necessary measures, rules, regulations, and policies relating to said purposes.
