Expenses to date	\$1,391,884.82

Treasurer’s Report read into record by Commissioner Cooper. **Commissioner Reilly made a motion to accept the treasurer’s report as presented, 2nd by Commissioner Tingle. Vote held. Motion – passed unanimous.**

Chief’s Report

Four calls away from 4000 in 2024 with 39 building fires. There have been 335 calls to date so far this month. We had a record-breaking 9-10” of snow last week and C-shift did an incredible job. There were approximately 8 structure fires in the heavy snow and everyone did great. Chief Lewis would like the Board to walk thru 44 when it is close to finished. It looks terrific. The completion date is still sometime at the end of March.

Commissioner Comments

New commissioner, Christopher Tingle, introduced himself. Commissioner Reilly commended the crews for handling fire in the snow so well, especially with such a heavy snowfall. Commissioner Cooper mentioned how impressed he was with the professionalism of the radio traffic.

Next Meeting

Next Meeting is scheduled for **Monday, January 27, 2025, at 6 pm.** Meeting adjourned at 6:10 pm.

Respectfully submitted,

Charles Cooper

Charles Cooper, Secretary/Treasurer
