

2030 State Route 268
East Brady PA 16028

2025 MEMBERSHIP DRIVE

We continue to need and appreciate your support! It's that time of year again to renew your ambulance subscription. As you have seen we have not been able to provide care to our neighbors and the reason was due to manpower issues. We have since resolved these issues and will start to be available when you need us.

We continue to strive to better our service so we can better serve the community.

Please fill out this enrollment form and return it with your check payable to Sugarcreek Township Ambulance Service at 2030 State Route 268 East Brady, PA 16028

Subscriptions will run from January through December, but we will honor neighboring ambulance Service subscriptions.

Your subscription helps you by covering any co-insurance and co-payment requirements that your insurance does not pay. However, we apologize because deductibles are not covered. If you do not have insurance, becoming a member will also help by providing a reduced rate for any emergency trips. Your subscription will help us help you even more! Your money helps keep an ambulance close by in your time of need. Our company has a great relationship with our local fire departments and neighboring ambulance services. Our company is separate from the fire department even though there are staff members that belong to the fire department. We receive **NO** tax money, so it is essential for us to have **YOU** as a member! If you do not wish to get a subscription or already have one through another service please consider a donation.
