

Technical Data Sheet:

## Biomax100 Degreaser

ETDBI01

### Description

This is an environmentally friendly, bio-degradable, extremely powerful, multipurpose cleaner and degreaser formulated for the removal of heavy deposits of oil or grease or other soiling on any surface. It is an alkaline, water based foaming liquid containing bio-degradable solvents, grease cutters, emulsifiers and penetrants for efficient oil and grease removal.

### Application

Biomax100 may be diluted with water as necessary for the application, even down to 10% for gentle cleaning. This product is available in various dilutions, colors and fragrances dependent on application. Biomax100 is suitable for a wide range of industrial and domestic cleaning applications where hydrocarbon soiling has occurred, including oil, grease, blood, etc.

### Features & Advantages

- Fast and effective removal of hydrocarbon [oil & grease] soiling.
- Water based.
- May be diluted with water to achieve desired strength for application.
- Bio-degradable.
- Suitable for industrial and household use.

### Characteristics

Appearance	-	Clear Propellant
Propellant	-	N/A
Solvent	-	None
Flashpoint	°C	<0
Odour	-	Slight Chemical
Water solubility	-	Soluble
Density	g/cm <sub>3</sub>	1
