- b. The company you represent has not previously operated in New Mexico and is actively seeking to establish operations in the state.
- c. You have an existing patent or technology that you can discuss in general terms without requiring a confidentiality agreement and are seeking assistance bringing it to market.

2. Approval Policy:

- a. There is no additional fee to attend this session beyond standard registration to *Building an Advanced Energy Ecosystem*.
- b. The number of spots for this event is limited, and admittance to *Chain Reaction* is not guaranteed.
- c. Participation is non-transferable unless otherwise approved in writing by the organizers. Substitutions may be permitted at the sole discretion of the Conference organizers.
- d. Participants whose application is approved will receive a printable email from the conference management team, Tactica Strategies, LLC that will include the details of the event.
- e. Applicants that do not meet the qualifications for participation will be notified as quickly as possible. Denied applicants wishing to appeal the decision may provide additional materials for consideration to info@tacticastrategies.com.

3. Cancellation and No-Show Policy:

- a. In the case that your application is approved and you are no longer able to attend, please notify the team immediately so that the next participant can be selected and notified.
- b. Failure to cancel before the application deadline or "no-show" attendees will be automatically denied the opportunity to participate in future Chain Reaction events.

4. Enforcement:

The organizers will only admit participants whose applications are approved and reserve the right to interpret and enforce these Terms and Conditions at their discretion. There will be no tolerance of disagreement with these Terms and Conditions.

Thank you for your cooperation in helping create a safe, respectful, and productive environment for all participants.
