

# Lettuce Varieties

## Rex - Green Butter

Smooth flavor with a soft buttery texture. Perfect for lettuce wraps and sandwiches!

## Green Sweet Crisp

A crispy leaf texture with a sweet finish that holds up well in a dressed salad! Pairs well with citrus based dishes and vinegarettes.

## Red Sweet Crisp

A super sweet crisp variety with red tips and a leaf shape that's sure to draw attention. Pairs well with citrus based dishes and vinegarettes.

## Red Oakleaf

Maroon leaves with a bright green center and a crisp texture. This loose-leaf variety is perfect for quick salad prep!

## Green Oakleaf

This loose-leaf variety features bright green leaves with a crispy texture and a unique leaf shape.

## Red Butter

The same smooth flavor and buttery texture you love in butter lettuce. This red variety adds a perfect touch of color to any plate!
