Subject : The National Selection Announcement

### **Selection Committee for Indonesian Delegates of CEI 2023 Conference**

Dear Teacher and Students,

It is our pleasure to announce that list of school projects on table 1 below have been chosen as representative for Indonesia in CEI 2023 conference. We received numerous remarkable school projects, and the champion projects were selected out of 32 projects run by students in high schools all over Indonesia.

However, we regret to inform you that school projects listed on table 2 and 3 are categorized as waiting list participants, due to the rules of maximum numbers of local delegates. If your school on a waiting list, and the committee offers you a place, we will send you a formal offer.

We would like to congratulate all students who participated in the National Selection. We hope your participation in this conference will result in great experience.

Thank you.

Best Regards,

CEI 2023 Conference Host
