Textbook

Students are required to purchase the textbook with online access code below.

Emergency Care PLUS MyBRADYLab with Pearson EText -- Access Card Package 13th Edition (Limmer)

ISBN: 9780134190754

****DISCLAIMER****

If you purchase or rent a used textbook package, the access code is not guaranteed to be included in the package or might not grant the required access. In this case, you run the risk of having to purchase an additional code. The access code allows you to view and complete the online assignments along with monitoring your grade average. Chapter assignments are completed online and are due on a weekly basis which contributes to your final grade. You will not pass the class if you do not have the required access code or if you fail to complete the assignments by the set deadline.
