EMERGENCY MEDICAL RESPONDER

FIRST ON SCENE (12TH EDITION)

DESCRIPTION

Emergency Medical Responder is the leader in the field. Author Chris Le Baudour provides clear, first responder-level training for fire service, emergency, law enforcement, military, civil and industrial personnel. For over 40 years, this title has been an important component of thousands of training programs and has contributed to the success of hundreds of thousands of students.

The **12th Edition** aligns with the latest National EMS Education Standards and includes the 2023 Focused Updates from the American Heart Association Guidelines for Cardiopulmonary Resuscitation and First Aid. The new edition also incorporates more language of inclusiveness, in recognition of the diverse backgrounds and life experiences of EMR students.
