CLINICAL ROTATIONS

84 Hours of Clinical Rotations are scheduled and attended after the class sessions are over.

Attendance, punctuality and full participation during clinical rotations are required for the completion of the EMT-B program. Release to test for the National Registry Exam (NREMT License) will be granted after all clinical rotations are complete and proper clinical paperwork has been submitted and approved.

Hospital ER Rotations

- 3 Scheduled Shifts (*shifts are 12 hours in duration and are scheduled as Day or Night shift*)
