Happy New Year Brothers of Sigma Pi.....hope you celebrated like Bud Cole.....he was confused....he thought it was Happy Nude Year. Dr. WillyBugs Horvath.....assigned me to keep the ball rolling this winter while he heads south to some cow-mune he found in Florida.....his doctor told him to drink more milk.....anyway.....Phyllis Diller once said....."cleaning your house while your kids are still growing up is like.....shoveling the walk before it stops snowing!! Anyway.....Tuesday Jan. 20 is our next work day.....some sanding of the pocket doors in the "Reading room" and a coat of poly on these doors and the 2nd coat on the 3rd floor bathroom door. A few other things will come to mind once we get there.....maybe some of you have ideas we could add to the "honey-do" list. We can share our New Year's Resolution while yapping about old times .....that either are true or false.....it doesn't really matter. I'll share mine early.....I want my children to have all the things I couldn't afford.....then I want to move in with them !

Please let me know if you can make it.....so I'm there in time to open the back door since the youngin's are still on winter break.....my home number is 610-948-0416 and my cell is 610-741-3552.....my weekend address is Graterford Prison! For those that are wondering.....I still have a tremendous sex drive.....my lady friend lives 65 miles away.  
Hope to see you .....jevo.....Steck
