Subject: Cash for work party

Steck,

What is your mailing address (the old fashion kind where they actually stick stuff in a real mail box)? Want to send \$50.00 to help out with supplies for the house clean up. And if I am feeling good at that moment, I will throw in another 10 for beers at Rudy's.

Looks as though you have quite a ambitious task list. Sorry I cannot be there to help but hope you will have a good turnout.

Thanks for all you guys do to keep our Fraternity going strong.

John
