The Sigma Pi Anthony Messenlehner Award

Tony Messenlehner was a founding member of Sigma Pi Fraternity in 1961 and the first Sage of Beta Psi Chapter. An exceptional young man, he was struck down in the prime of his life in 1962 in a tragic car accident.

This award is to honor the memory of Tony, and is presented each year to the active brother who best represents the characteristics that made Tony such an inspirational member of Sigma Pi Fraternity. Those characteristics include:

- *A probing, energetic mind with an insatiable desire to learn*
- *A tireless worker in every aspect of his life*
- *A leader in campus extracurricular activities*
- *Scrupulously honest and of sound moral character*

In the Spring, each year the active brothers will vote for the brother who they think best emulates the characteristics of Tony Messenlehner. The brother accumulating the most votes will have his name placed on the continuing award plaque which will be displayed prominently at the fraternity house. The winner will also receive a \$100 check from the Beta Psi Alumni Association.
