BPHA Vol. II 2020

Summer 2020

Greetings Sigma Pi Brothers

Unfortunately, the Alumni Founders Day meeting for April 4, 2020 was cancelled due to COVID-19. Everyone please stay safe. Over the last few months, the pandemic has affected everyone. It will take time for us to develop any real understanding about what to do about the house as it relates to visitation and residency. Although nothing can be 100% effective there are some rules that have been put in place to help in the health and safety of our Brothers as it relates to the House. If you plan to visit the House, please notify the Housing Board and the Current Sage. We have put into place safety measures that relate to house visitation and residency.

Please read the signs and follow the guidelines if you intend to visit the house. As a courtesy please notify the Sage, Health and Safety committee or the Housing Association you intend to visit the house at bpha@betapsihousing.com. Remember all official notices will be on and come from the website and communication with the Board should utilize this email address as it was previously published.

- The barriers will be installed to encourage social distancing. Both in the Mantel room and Meeting room
- Installation of a non-contact hand sanitizer
- Daily Temperatures taken and privately recorded.
- Masks are required at all time in the common areas inside and out.
- The Sage created a Health and Safety Committee to monitor daily and weekly health checks
