BPHA Vol. I 2022

Spring 2022

### Greetings Sigma Pi Brothers

Sigma Pi Beta Psi hit some tremendous milestones in 2021. Two Anniversaries. November 18, 2021, marketed sixty years that Sigma Pi Beta Psi has been on the East Stroudsburg Campus. December 3, 2021 was the ten-year anniversary from the date of the new founding fathers Charter was reestablished.

It has been a crazy 2 years. 2021 Homecoming gathering was a great success. It was nice to see all the brothers past and present together in fellowship of kindred minds. The Board decided this year to recite the Sigma Pi Creed once again as an opening to the meeting. It really brings you back to some of the great times over the years. The BPHA has pushed through the pandemic with great perseverance. We want to thank the brothers that helped, either by devoting time to help maintain the house or giving financial support with your donations.

#### Homecoming

Elections were held. Dave Reciniello was re-elected for another 5-year term as one of the Board of Directors and Jeff Bruno was re-elected President for another 5-year term. New Board Member John Capitanello was also confirmed as a new member of the Board.

We want to cheer Brother Arthur Schisler '62. Brother Schisler was formally inducted into Sigma Pi on October 9, 2021, after 60 years as a pledge. Through the years he has supported the Sigma Pi Beta Psi Alumni with rehabilitating the house in the very lean years. He received his Shield and Pin at this Homecoming. This was a 60 year wait. See the write-up in the ESU Alumni Herald. It was a honor to working with the individuals that helped to make this happen.

See our website for updates on our Calendar page.

The official Initiation Ritual is planned for April 24, 2022. 12:00 Noon at the house. Please check the BPHA website for any updates.

This Homecoming was an exceptional success this year. We had one of the biggest turnouts ever. It was truly a huge success. Bothers young and seasoned all gathered to hear a lot of great stories.

We even saw someone drop and give me 20. Some of you remember when that was acceptable back in the day. There were burgers and Dogs served that everyone helped cook. The cake, chips, salads, and sodas were all enjoyed as well.

Can you identify this brother? He's still got it.

### Message from the undergraduate Chapter

The chapter participated in the American cancer society's relay for life in April, which is the largest cancer benefit in America, the committee for this event was headed by Brother Jared Muñoz and Brother CJ McMonegal. For about two weeks leading up to the event we were tasked with fundraising. In total the event raised \$30,000, Our chapter was responsible for \$7,000 of those dollars! Out of the 25 teams participating we were the number 1 fundraising team. Brother Matthew Muniz was the #2 overall fundraiser out of everyone in the event, New member Brett Reggio was #3!

After sixty years Brother Schisler was inducted in the Sigma Pi Beta Psi East Stroudsburg University.  
See the story in the ESU Alumni Herald.

Thanks.
