Greetings Sigma Pi Brothers

As posted on our website New Member Initiation Ritual was held on Sunday April 24, 2022. Congratulations to all that we made part of our Exclusive Brotherhood.

We want to again cheer Brother Arthur Schisler '62 and 20 other new Brothers. Brother Schisler was formally inducted into Sigma Pi. The ritual was on April 24, 2022, after 60 years as a pledge. Through the years he has supported the Sigma Pi Beta Psi Alumni with rehabilitating the house in the very lean years. He received his Shield and Pin at this Homecoming. This was a 60 year wait. Great Job all!

The summer has been quiet. Not a lot of news.

The Undergraduate chapter has a new Chapter advisor. National Sigma Pi has appointed Jared Munoz. The chapter's business email address is betapsica@sigmapi.org

The Sigma Pi WORKS Committee had their Picnic on June 10th. There were over 20 Brothers and friends in attendance. Great job organizing this event again this year Brother Steckel.

Message from the undergraduate Chapter

The chapter participated in the American cancer society's relay for life in April, which is the largest cancer benefit in America, the committee for this event was headed by Brother Jared Muñoz and Brother CJ McMonegal. For about two weeks leading up to the event we were tasked with fundraising. In total the event raised \$30,000, Our chapter was responsible for \$7,000 of those dollars! Out of the 25 teams participating we were the number 1 fundraising team. Brother Matthew Muniz was the #2 overall fundraiser out of everyone in the event, New member Brett Reggio was #3!

Thanks.
