Greetings Sigma Pi Brothers

Homecoming this year is on October 15, 2022. There will be a short annual meeting for Brothers and alumni of Sigma Pi Beta Psi at the Pi House: Time 12:00 Noon.

There will be Food and refreshments. We would like another great year of fellowship of Kindred Minds. Last year was an enormous success. We hope you will join us this year. Tell your pledge class to come and join in.

COVID has hurt our revenue the last few years and continues to be a burden with the short falls of rental cash flow. We are below our projected Budget due to the previous limited number of tenants and the ongoing concern with COVID 19. In the past the alumni have been there to support the house. The hardship of the last few years has put BPHA in need of your support. The Board is asking you to donate funds to the house. We need your influx of funds.

Over the summer we a large unexpected mechanical issue with the Plumbing in the basement costing upwards of \$1900. We also had two dryers break down. We also had a significant increase in real estate taxes due to the new Monroe County assessment \$17K. We appealed the increase and it was denied by the county.

Yes COVID 19 hit us all. It hit us at the same time as increased house expenses and costs. Now that the Pandemic is coming to end, we need your help to dig out of the last few years low revenues. The reserves that we built up in reserve over the years has become depleted.

Please consider giving to the house funds. If you can please give generously.

Bring Back the raffle

We are considering bringing back the raffle that was so successful when we were rehabilitating the house. To do that we need some donated prizes.

If you can donate prizes email us at BPHA@betapsihousing.com with a description of the prize and contact information. We would like to have your commitment for a prize by September 11, 2022 so we can have content for printing.

We need Brothers to help with Maintenance and upkeep of the house. Please volunteer some time to come to a work party. We hold them ***the third Saturday of each month***. We do it jointly with the active undergraduate chapter. Afterward we head down to local watering hole.
