Here is a Message from the Chapter Director

Dear Sigma Pi Beta-Psi Alumni,

The purpose of this letter is to inform you on what the active chapter has been up to since I took over as chapter director and give you some updates before we all meet for homecoming. Before I get started, I want to give all of the credit to the active brothers and I will individually make some as we go along.

The state of the chapter is absolutely phenomenal. They have the best campus presence out of not just fraternities, but all of Greek life. They have tables on campus every Thursday whether it be for a fundraiser or information table. The Second Counselor Sean Allen has been very on top of his committee heads and internal operations are the highest they have been in the last calendar year with some of the younger guys running the show.

Along with that, the new member class for the fall is the biggest out of all fraternities on campus. Recruitment Chair Kether Thornton has worked tirelessly for months leading up to recruitment week to ensure we bring in a great group of young men. New member educator CJ McMonegal and his assistant Cruz Manatt are doing phenomenal with educating these young men and molding them into brothers of sigma pi. I worked very closely with CJ to put together a very detailed new member education plan week by week to ensure organization.

The chapter has elected a new executive board, these young men will assume power on November 8, the election results were as follows:

Sage: Romaudio “Hendrix” Lindsay

VP: Sean Allen

Sgt At Arms: Scott Geysen

Treasurer: Brian Bollendorf

Secretary: Nick Weikel

Herald: Kether Thornton

I am very excited to see where they take the chapter.
I am looking forward to seeing you all at the next homecoming.

Until then,
In sacred trust,
Jared Muñoz
Chapter Director
