

# BETA-PSI CHAPTER NEWSLETTER

*April 2024*

*East Stroudsburg University*

## Welcome

Greetings Sigma Pi Nationals and Beta-Psi Alumni,

We, the Beta-Psi chapter at East Stroudsburg University, would like to update all of you gentlemen with all we have accomplished this 2023-2024 academic school year.

## Mr. Greek

To start off the school year, the Beta-Psi Chapter participated in the all-Greek event named "Mr. Greek". Here every fraternity sends out one brother to represent their letters and be involved in a talent show. Brother, Jordan Valenti, represented us and Sigma Pi ended up taking first place overall, along with raising the most money for March of Dimes (This organization raises money for newborn babies in the NICU). Brothers were very proud that they were able to help out a great cause along with showing why we are number one.

## Homecoming 2023

In October, East Stroudsburg University had its annual Homecoming on campus. We always use this event to have alumni and family come to our chapter home. We always have an amazing time catching up and sharing stories with alumni. In addition, we held a ceremony for a fellow alumni that had passed, brother "Max" Yaeger. The brothers also had a paddle made for our landlord and alumni Jeff Bruno. Overall it was a great day for the Beta-Psi chapter.

## Fundraising

This year the Beta-Psi chapter are very grateful for the amount of funds we were able to bring to our chapters. We held on-campus tables very often, almost once a week, where we would help raise money. We sold, pies, candy, hot chocolate and cookies, pied ourselves, social events and much more in order to bring money into this fraternity. To add, we are hosting a kickball tournament later this month with a sorority (Alpha Omicron Pi) that will help raise even more funds for the Beta-Psi Chapter as well.

## Community Service

To continue, the Beta-Psi Chapter helped out our local community a lot this academic year. The brothers help multiple street cleans every semester which helped make our campus and surrounding areas beautiful once again. Brothers also volunteered at a local homeless shelter where they served cooked meals to those in need. Moving forward we would like to continue to improve our great community that we are blessed to live in.

## Philanthropy

Next, another goal that was met this year was raising awareness about our philanthropy, men's mental health. By having tables on campus where we would simply give out information about our cause and do small things like hand out motivational cards or give out treats, brothers truly let others know that it is okay to not be okay and that men struggle mentally as well.

## Eboard

This academic school year was very important as we believe that the Beta-Psi Chapter continued to shine on and off campus. This progress would have not been possible if it wasn't for the great leaders we had guiding us throughout the entire year. President Jack Spahn, Vice President Elijah Rivera, Sargent at Arms Juan Flores, Treasurer Logan Rieder, Herald Stephen Tellez, and Secretary Joey Marzzacco made up this year's Eboard that helped to push this chapter even further than it's ever been.

The image displays the Beta-Psi Executive Council for the 2023-2024 academic year. It features a purple background with the Greek letters ΣΠ in the top left and a Psi symbol in the top right. The central text reads "Sigma Pi EXECUTIVE COUNCIL 2023-2024". Six members are shown in individual portraits with their names and titles below them: Jack Spahn (President), Elijah Rivera (Vice President), Juan A. Flores (Sergeant At Arms), Logan Reider (Treasurer), Stephen Tellez (Herald), and Joey Marzzacco (Secretary). A Psi symbol is also in the bottom right corner.

Name	Title
Jack Spahn	President
Elijah Rivera	Vice President
Juan A. Flores	Sergeant At Arms
Logan Reider	Treasurer
Stephen Tellez	Herald
Joey Marzzacco	Secretary

## The Future

The Brothers from the 2023-2024 academic school year are very proud of all the accomplishments that have been reached but are not satisfied. The Beta-Psi chapter believes firmly in being better than we were the day before and we are bringing this same mentality back in the fall. We hope that the new brothers can follow the path we have paved and bring us to new heights that'll continue to make this fraternity so great.

## Thank You

The Beta-Psi Chapter here at East Stroudsburg University would like to share our gratitude with Sigma Pi Nationals and Alumni who have gotten us to where we are today. Without your support and constant motivation to be better, the accomplishments school year would not have been possible. Thank you from the all the Beta-Psi Brothers.
