

CM BAGS

ABOUT US...

Continental Marketing Services, Inc. dba CM Bags is committed to be your preferred supplier for your promotional bags. Our goal is to be your first-choice supplier while preserving the integrity, agility, dedication and humility of the family-owned culture that our customers have come to value from our company and dedicated staff.

OUR BELIEF...

Our people make the difference. Even with technology and innovation taking us further with each advancing year, we continue to value the importance of a personal, interactive and trusting relationship with our customers. Our dedicated team is here to accommodate all aspects of your promotional needs.

OUR MISSION...

Each day, we will strive to:

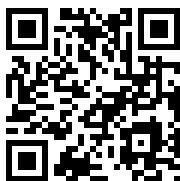

- * Provide every customer with excellent customer service and a superior buying experience by exceeding their expectations in service, support and care.
- * Be a trusted extension of our customers' marketing and sales departments, by providing promotional and technical support that positively impact our customers' goals and needs.
- * Produce innovative, safe, and compliant products by promoting the creativity and dedication of our employees and vendors who support the goal of making the safest and highest quality products.
- * Conduct ourselves in socially responsible and sustainable ways to achieve greater levels of ethical and responsible sourcing practices with our factories.

OUR COMPETITIVE EDGE...

With our own factories located overseas, we are able to offer the most competitive pricing and the best quality bags you can find in the industry. The added benefits of owner-operated factories give us the advantages of offering a greater spectrum of services, products and price-points to meet your demands. Hence, we are able to provide you with customized images, answers and solutions to all custom or overseas projects within a 24 hour time frame.

OUR GRATITUDE...

Thank you for your continuous support and faith in our vision. We will continue to pursue our goals to exceed your expectations in everything that we do for you.

OVERSEAS

Just imagine your idea and design being carried out step by step with the assistance of our custom design department. Our overseas manufactories throughout the Pacific Rim will ensure your project to be the best in quality and the lowest in prices. It is a very simple and easy process.

So Wait No More!

Present your idea or design today so we can take care of the rest.

Step By Step Process For A Custom Bag

- Have an idea or design you wish to have custom made.
- Provide us with a sketch of dimensions, materials, logos and functions.
- Quotation available usually within 24-48 hours.
- Provide artwork information such as method, color, size and location.
- A paper proof will illustrate your design, free of charge.
- A pre-production sample will ensure your design is carried out correctly before production.
- Standard lead time is 45-90 days.
- Terms: 50% deposit required for all overseas custom order.
Balance is due upon shipment or credit approved term.
- Shipping: F.O.B. City of Industry, CA, U.S.A.

MADE IN USA

While, custom products by overseas is most ideal in certain cases. There are still many reasons to look at **MADE IN USA option**.

We are now offering the **MADE IN USA option** for those of you seeking a custom piece but do not have enough time or quantity to produce overseas. Pricing is more affordable than you might think... give us a call on your next custom project.

Standard Lead Time: 15-20 days. No minimum quantity inquired.

Our Shipping department will arrange the fastest and most economical services available, unless specified otherwise.
