INTRODUCING

coastalthreads COLLECTION

Every product in the Coastal Threads[™] collection features Repreve[®] fabric, which means every item has a **commitment to a better tomorrow** that also allows your brand to shine. This impactful and innovative collection commits to **high-quality**, **high-impact**, **and highly marketable** promotional material.

So, what *is* Repreve®? Repreve® Our Ocean™ is a premium collection of fiber and resin, sourced from bottles at high risk of entering the ocean. Plastic bottles are hand-collected from areas within 30 miles of coastlines that don't have a formal waste or recycling system.

Make a splash with innovative design and responsibility!

That's Simply Made Better
