

MICHIGAN Prophetic Declarations

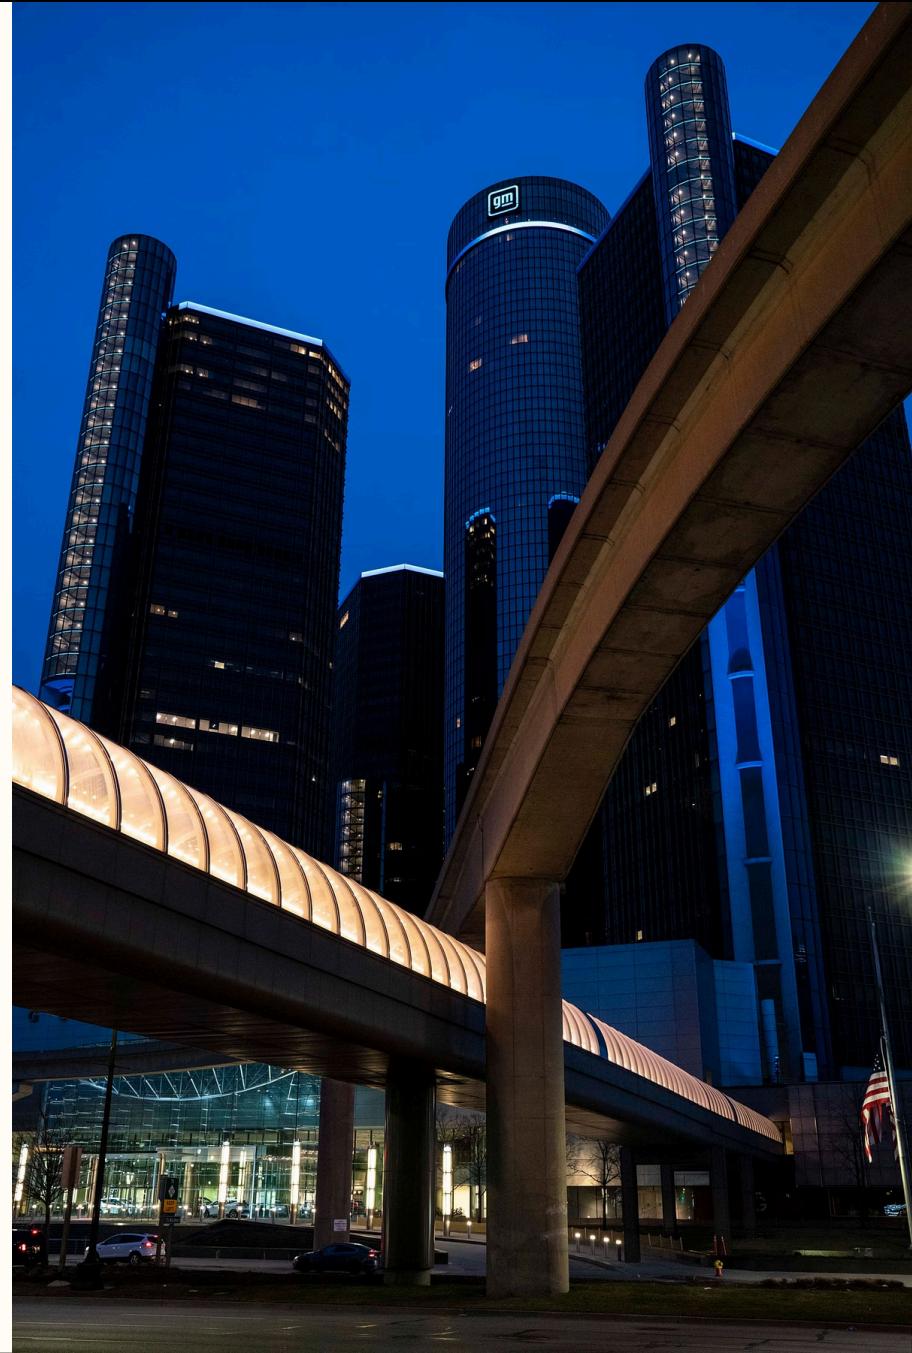

Declarations announced DETROIT WORSHIP NIGHTS Friday, May 2, 2025

The Portal Is Open

We stand together today as one voice, one people, under the authority of the Lord Jesus Christ, and we proclaim:

The portal is open over Michigan

As in Genesis 28, heaven is touching earth. Angels are ascending and descending, bringing divine assistance, heavenly messages, and fresh encounters with the living God. The atmosphere is charged with glory. Surely, the Lord is in this place!

The Portal is Open

New Strategies

Because the portal is open, new strategies are being released.

New Blueprints

Because the portal is open, new blueprints and creative ideas are being birthed.

Fresh Anointing

Because the portal is open, a fresh anointing for pioneering is falling upon individuals—trailblazers, visionaries, and reformers.

We declare: this is a new season, and with it comes a divine release of revival and renaissance across Michigan.

This is a time of reawakening. This is a time of transformation.

The Portal is Open

Encountering Hearts

God is mobilizing His people. He is encountering hearts.

Calling Forth Leaders

He is calling forth builders, worshipers, prophets, and innovators to shape the future.

Sweeping Fire

We proclaim that the fire of God will sweep across this state—bringing awakening, reformation, and victory.

What was dormant shall live again.

What was stagnant shall flow again.

What seemed impossible will now become reality, for heaven is open and the King is moving!

The Portal Is Open

Step Into Alignment

We step into alignment.

Receive The Call

We receive the call.

Embrace The Future

We embrace the future.

The portal is open, and we will not miss the moment.

Michigan, rise into your destiny.

Indiana, extend your reach.

The Spirit of the Lord is here—let the Church arise!

Detroit Shall Burn With Holy Fire

People of God, hear the Word of the Lord!

We remember the prophetic words spoken in the midst of historic revival— that Detroit would be overtaken by a mighty move of God.

What once seemed impossible, He is now making inevitable.

We proclaim: The Spirit of the Lord is brooding over Detroit once again!

Just as in the days of Pentecost, when fire fell from Heaven and overtook believers, so now God is preparing to overtake His people in this city.

Detroit Shall Burn with Holy Fire

We Declare:

Believers will run into the midst of the city—bold, burning, and unashamed.

There will be open worship in the streets, songs of deliverance where there was once despair, dancing where there was mourning, life where there was death.

We Declare Multitudes will be:

- Saved by the power of the gospel
- Delivered from bondage and torment
- Healed in body, mind, and soul
- Transformed by the Presence of the Living God

A City of Light

Detroit shall arise as a city of light, blazing in the midst of the nation.

Where darkness once reigned, the glory of God will break forth.

What was once a symbol of ruin shall become a testimony of resurrection.

The fires of revival will spread from home to home, street to street, and soul to soul. And we proclaim boldly to the nation: There is a God in Heaven who intervenes in the earth. He changes the trajectory of cities, regions, and generations.

Detroit Shall Burn with Holy Fire

Detroit will stand as a sign and a wonder—proof that nothing is too far gone, and no place too dark, for the hand of God to redeem.

Let the altars be rebuilt

Let the worship resound.

Let Detroit burn again—with
holy fire. AMEN

The Walls Are Coming Down In Detroit

We declare today the truth of Ephesians 2:13–14—that through the blood of Jesus, those who were far off have been brought near, and the dividing wall of hostility has been broken down.

We acknowledge that Detroit has long been known as the most segregated city in the nation.

But we boldly proclaim: This is not too hard for our God!

No wall is too thick. No division is too deep. No history is beyond healing.

In the Name of Jesus, we declare:

The walls of racial, cultural, economic, and denominational division are coming down.

**Not by human strategy,
but by the power of the cross and the **Presence of
the Holy Spirit****

Jesus Himself is our peace
He is making us one.

The Walls Are Coming Down In Detroit

As we humble ourselves before the Lord and before one another,

as we choose love over fear, and honor over pride, God is healing
the breach.

Reconciliation will rise in Detroit. Unity will be our banner.

Love will be our language.

We will walk as one people, one Church, under one Lord. Detroit
shall no longer be a city divided, but a city restored. A city of
healing.

A city of unity.

A city of light to the nation.

The Walls Are Coming Down In Detroit

What man could not do, God is doing now.

The walls are coming down, and the Kingdom is rising.

Amen.

Detroit, The Birthing Anointing Is Here

We declare the Word of the Lord from Genesis 1:2-3:

The Spirit of God

In the beginning, the Spirit of God brooded over chaos—over darkness, devastation, destruction, and hopelessness.

God Is Speaking

He hovered patiently, purposefully, waiting for the moment when Jesus—the Living Word, the Creator—would speak.

3

And When He spoke, He said:

"Let there be light." Creation was set in motion. And there was Light—not just the light of day, but the light of God Himself, and the glory light that releases revelation, transformation, and divine creation.

We now declare:

That same Spirit is brooding over the city of Detroit! Over its devastation. Over its dry bones. Over its dormant dreams.

Hope is rising in Detroit, the new creative day is here.

The voice of the Lord is erupting again! We declare that God is speaking in Detroit.

And as His people, we are joining our voices with His voice.

Detroit, The Birthing Anointing Is Here

We Declare What He is saying:

- Detroit shall be rebuilt.
- Detroit shall be restored.
- New life is coming to the automobile industry.
- A new sound is rising from Motown—an anointed sound that will pierce the darkness and release the glory of God.

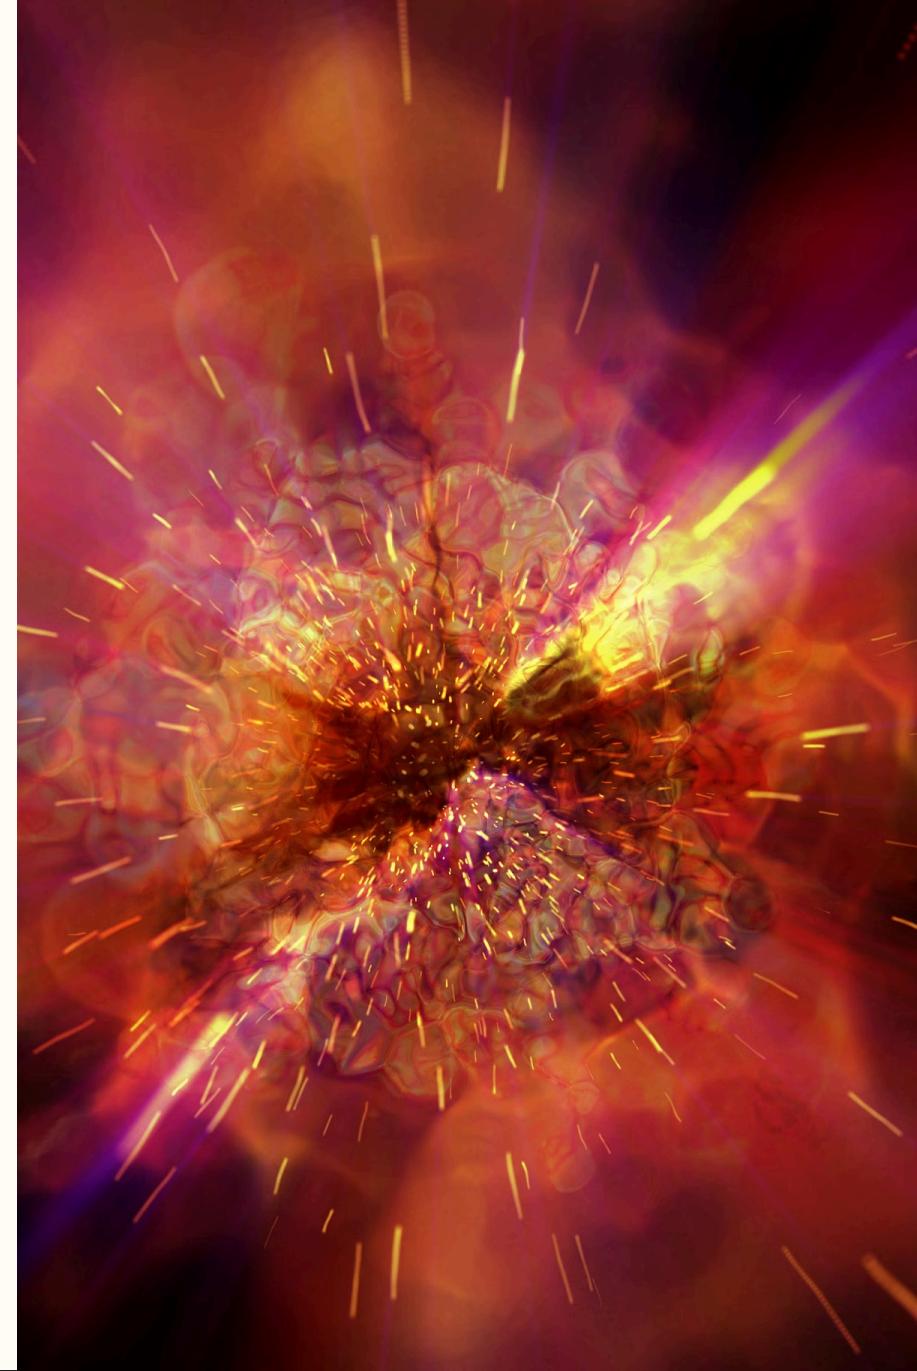

Detroit is a city of innovation, a place where original sounds and inventions are birthed. It is not going down, but rising again.

Detroit, The Birthing Anointing Is Here

- For where the Spirit of the Lord is, there is liberty—and that liberty is breaking every restriction, every barrier, and every wall of separation.
- We declare a Nehemiah spirit is being released—a spirit of builders and restorers who will rebuild the ruins and renew the foundations.
- Detroit shall be a city on a hill, a light to the nation, a testimony of resurrection power.

We say Detroit's voice is being refreshed—

- It is the voice in the wilderness, calling forth what is not and creating what never was.
- New ideas, creativity, and inventions are being birthed even now.
- The spirit of innovation that birthed the automobile industry is being reignited.

Detroit, The Birthing Anointing Is Here

- We will not be a people who echo negativity. We will not agree with devastation or despair. We will be a people who declare life! life! life! to Detroit. For the power of life and death is in our tongue, and we choose to speak LIFE!

We say: This is a new day.

- This is the day the Lord has made. We will rejoice and be glad in it! Even as Detroit was named #1 for the best public space in America—Martius Park, we declare it will also be #1 in showing the nation what happens when God invades a city.
- From darkness to light, from ruin to restoration, from silence to sound—Detroit shall lead the way.
- And as Detroit goes, the nation will follow. Let there be light! Let there be life! Let there be Detroit—reborn, restored, and resounding with the glory of God!

In Jesus' Name

Detroit, The Place Of Breakthrough

The Narrow Gate

We declare today that Detroit is the place of breakthrough!

Its very name, derived from the French word for "straits" or "narrow place," is a prophetic sign.

Detroit is the narrow gate. It is the gate place where burdens must be laid down, where pride must bow low, where the camels must kneel and every weight must be removed in order to pass through.

This is the place of humbling—and this is the place of breakthrough.

The Battle At The Gates

We proclaim that just as in Judges 4, the battle is at the gates.

Detroit stands at a spiritual gate in this nation.

And just as Deborah rose up and called forth Barak to wage war, so now God is calling forth the people of Detroit—men and women, known and unknown, to rise up and take their place at the gate.

Even creation itself will fight for the purposes of God—

As with Deborah and Barak, the winds, the rains, the heavens will align with heaven's decree to bring victory.

Just like Jael dealt the final blow, We declare that unknown voices, unexpected people—those hidden from view—

will strike down spiritual strongholds, disarm principalities,

and bring freedom to the people through obedience and boldness.

Detroit, The Place Of Breakthrough

We Say:

Every person in Detroit is being called into battle at the gate. And this battle will be won through one weapon: Radical, unrelenting worship to the King of kings and Lord of lords! Just as Judah went first—As in 2 Chronicles 20, the people lifted high praises, not swords. They did not chase after the enemy. They lifted a shout to the King, and it turned the tide of battle!

So We Declare:

Worship is erupting out of Detroit! It is shattering darkness. It is confusing the camp of the enemy. It is opening the heavens. It is ushering in salvation, deliverance, healing, and miracles—in both the spiritual and natural realms.

We Declare:

Detroit will not die—it will live. We speak to every dry bone, and we say: Live! Live! Live! You shall live and not die and declare the Glory of the Lord!

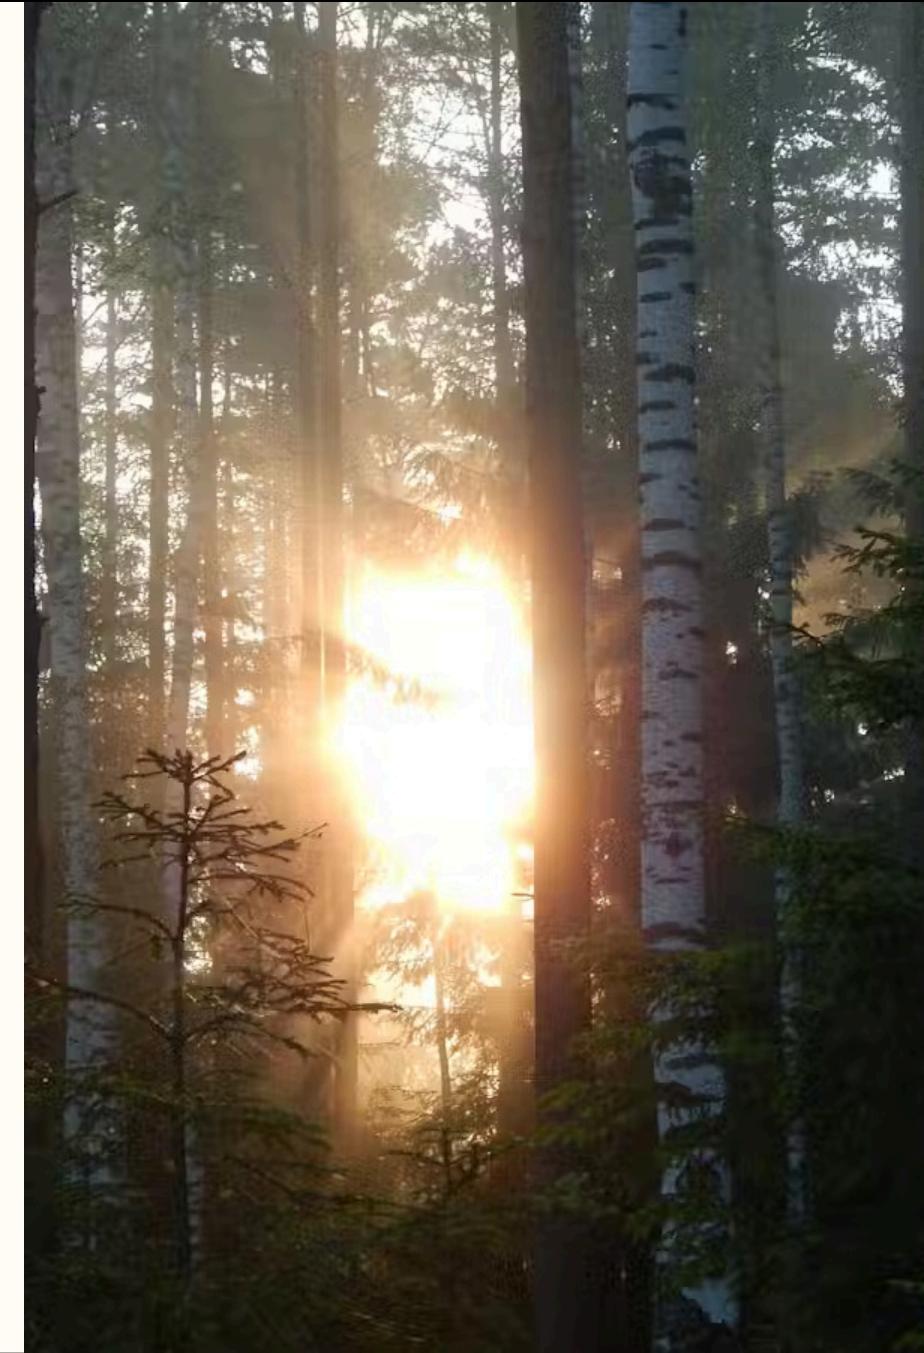

Detroit, The Place Of Breakthrough

We Say:

A new level of Prosperity is coming. Innovation is returning. The sound of Motown shall rise again with heaven's anointing, creating heaven's sound. We will find our voice in Detroit. The creative line that once built the automobile industry will birth again! Detroit is not the end. It is the gate. It is the passage. It is the place of pressing that becomes the place of glory. It is the place of death that becomes the womb of resurrection.

We Declare:

This is the day of the Lord in Detroit. And the voice of praise will not be silenced. The King is in the city. And the gates are opening wide. Detroit, this is your breakthrough.

Detroit, Arise—The Shout Of The King Is In The City

1 We Declare That This Is A New Season—

a divine turning point where God is revealing to His people, our true position in Christ. We are not of the first Adam who fell through sin, but we are of the second Adam—Jesus Christ—who triumphed over sin, death, hell, and the grave. The suffering Lamb has become the victorious King, and in Him we now live, move, and reign.

2 We Declare:

We as Revelation 5 says, we are kings and priests unto our God! We have been raised and seated in heavenly places with Christ Jesus. We are not fighting from the ground up, but from the throne down—from a position of victory, not for victory. We are not entangled in battles of flesh and blood, nor intimidated by demonic resistance. We are those who enforce the victory of the cross and the power of the resurrection. We declare that the King who rules and reigns lives in us by His Spirit. We are inhabited by the One who holds all authority in heaven and on earth.

3 We Proclaim:

Detroit is rising in kingly authority! The shout of the King is in the city! As in Numbers 23:21, no curse can rest on what God has blessed—for the shout of the King is among us.

Detroit, Arise—The Shout Of The King Is In The City

4 We Say:

The atmosphere is shifting! Fresh revelation is pulling the people of God into a new dimension. Heaven is opening over Detroit, and the city is awakening to its divine assignment. We speak this over Detroit and its region:

- **Sin is being broken.**
- **Sickness and disease are being removed.**
- **Strength is rising.**

An overcoming spirit is being released.

5 We Declare:

Detroit will enforce the victory of Jesus! The Lamb who was slain before the foundation of the world is worthy! By His blood, we have been made worthy to reign with Him. From every tribe, tongue, and nation, God is gathering a people in Detroit who are ruling with righteousness, praying with boldness, and worshiping with fire.

Detroit, Arise—The Shout Of The King Is In The City

We Declare:

This is a city of kings. This is a city of priests.

This is a city where the voice of the redeemed will not be silenced.

This is a city where the shout of the King will shake the ground.

Detroit, your shout is rising.

Your King is reigning.

And your victory is now.

Amen.
