

Run #2091, Monday 9th June 2025, The Half Moon, Rayleigh

Hares:- Pulled Out & Sucked In

We gathered in Rayleigh Town to celebrate the birthday of hasher Sucked In – oh, and we did a hash as well!

Over 20 hashers gathered in the car park, as the GM set us on our way, it was a lovely evening, with a bit of a breeze – but we soon warmed up as we set off down Bull Lane and into the streets of Rayleigh. It was a lovely run – and we even found some fields to run across, before we made our way back towards Fairview park – and the Beer Stop (although Heapo & Pied Piper were trying to distract the pack by loitering nowhere near the actual chalk marks)! The knitting circle had also made it to the beer stop – so there was lots to chat about!

Then it was off again, and Dr Deaf thought he knew where he was going – and led everyone down a bit hill – only to have guessed wrongly – and we then had to come all the way back up again! It was then a short run back along the main street – although Fourplay & Casey did a bit extra – after the Checkback 5 down past the school alleyway.

Back at the pub and Sucked In was celebrating – she provided the birthday food, which was very nice indeed. We also had a few other down-downs – including Zipper who was celebrating 950 runs, Dr Deaf (for wrong-turns), Heapo & Pied Piper, Fourplay, Compressed Fart and also a birthday drink to Vicky Vomit who couldn't make it today.

On! On!
