

Run #2107, Monday 22nd September, The Bell, Danbury

Hare:- Fourplay & Fag-After

This evening we were gathered at The Bell in Danbury, it was a lovely evening, bright & clear – even if it got a bit chilly later on! The GM called the circle to order, and the hare explained that the trail was in chalk & flour – with a few trip hazards along the way! The co-hare explained that it was .7 miles to the beer-stop (with his ‘dummy’ beer bag on his shoulder) for the knitting circle, and they duly set off up the hill along Main Road (with Pied Piper and Vicky Vomit in tow. Compressed Fart meant to follow them – but seemed to go wrong and followed the pack instead!

The pack wound their way through the streets of Danbury & as usual, went up to the allotments. Unbeknown to them, they had passed not long behind Fag After and his gang, who were heading back down the hill (The Count spent all evening trying to guess where they were!).

We had a quick stop in the children’s play area – where all of the equipment was tested out and found to be working just fine, then a final meander around Danbury Common, past the trip hazards, and back to Woodhill Road – and to Fag Afters garage! (Although I think Blowdry still thinks she was at The Counts house!). Pied Piper & Vicky were found to be relaxing in their deckchairs in the garage while everyone drank beer & ate chocolates!

We then headed back out – for a quick run around Danbury Lakes, and back up to Well Lane before returning to the pub. (Again, the Count thought he knew best and that we would be going up parallel to the main road!).

A good run was had by all, followed by a nice drink & catch-up in the Bell afterwards. The RA was back to present the down-downs this week (although for the final week, Fourplay was still the Hash-Cash). Down-downs were duly awarded – we had two numbers, 150 for Fag After & 50 for Compressed Fart, CF also got one for joining the wrong group, Pied Piper for lounging in his chair, Sludge for his ‘new’ shoes, Count & Comes not a Lot for celebrating his return to Uni, Blowdry for representing the harriets, Fourplay & Fag After for hareing, and 359 for his taste in music!

On! On!
