

Run #2099, Monday 28th July 2025, Victoria Arms, Brentwood

Hare:- Compressed Fart

Tonight we gathered at the Victoria Arms pub, in Brentwood. This was a bit challenging, as there wasn't much parking:- Lunchbox, Heapo, Small Prick, the Count & Casey all paid (a pretty penny) to park, Pulled Out went to Sainsbury's and didn't tell anyone, Fourplay was streets away, and Vicky just turned up at 6.59 and parked in front of the pub!!

We had a new runner amongst us – Flapper Slapper, who had previously joined in the Ale Trail – and came back for a bit more! We set off on a familiar route (to some), around the fields & streets of Brentwood, Small Prick seemed to think there was some dogging going on along the way! The trail was laid in chalk & sawdust – and it led us to the beer stop at Compressed Farts abode (which looked like a dead body had been left outside at some point).

Along the way there was some talk of parrots or parakeets – no-one seemed too sure, although it earned a down-down for Vicky & Flapper.

At the pub and it was time for the 22 hashers to partake of some down-downs:- including the Mistress (returnee), Flapper (newby), Vicky (parking & parakeets), Heapo, Small Prick & Lunchbox (for producing the run list for this location – which only actually had two lines on it!)

On! On!
