

Run #2124, Monday 19th January, Mawsons, Southchurch Rd, Southchurch

Hares:- Pulled Out & Sucked In

Seventeen hashers gathered at Mawsons in Southchurch, on a fine mild evening for January. We were still reminiscing over the Hash Xmas dinner which was held on Saturday at the White Hart in Mountnessing Tye, everyone agreed that we had a great time, the food was excellent, as was the company. Apparently there was a bit of lost property action – with Dr Doolittle leaving her handbag behind (!), and Lunchbox mislaying Sooty's whiskey – which was last seen with Vicky or Tops!

Anyway – to the hash, the first effort was to get parked along the street, as near as you could to the pub, this was achieved by Fourplay, followed by EMF, and not so close for some of the others! Pulled Out called us to order, and described the trail as being in chalk, and watch out for the roads! We set off, criss-crossing the streets of Southchurch, watching out for the raised paving slabs which were trying to trip us up. As well as seeing the traffic warden who was out trying to catch errant motorists!

The beer stop was finally reached, at a bus stop, and near the old peoples home. The Knitting Circle had also made the beer stop, which made for a social catch up. The beer was poured from some dodgy looking bottle, but Pulled Out assured us it was the finest ale! We then went on our merry way, and just as we were thinking that the pub was straight ahead – we had to do a big of jiggling down the side streets to get to On-Inn!

Time for the down-downs, and as a follow up to Saturday, Fourplay and Sooty got dinner down-downs, Corpse had a new 'quiet' stick, AGO wasn't following the trail (too much chatting), Pulled Out & Sucked in for their Haring, EMF for her parenting, and a stranger in the pub – for just being there and joining in!

On! On!
