

## Bank of San Diego, 12th & G Branch San Diego, CA

### Owner

Bank of San Diego  
San Diego, CA

### Architect

Deems Lewis & Associates  
San Diego, CA

Faris Construction Company built this 6 lane covered drive-thru banking facility with pneumatic tubes for the Bank of San Diego on a negotiated contract basis. Not only did we complete the facility on-time and on-budget, but the Bank was so pleased that they asked us to come back the next year and build an adjoining branch.
